

Technical drawing of a circular structure, likely a well or a small pond, with dimensions and labels.

The drawing shows a circle with a radius dimensioned as 500. A horizontal dashed line extends from the left, labeled "Pohled shora" (View from the shore). A vertical dashed line passes through the center of the circle. To the right of the circle, there is a rectangular structure with a width dimensioned as 500 and a height dimensioned as 160.
